

YOUR Community, YOUR Neighbors
OUR RESPONSIBILITY
get involved today

We Need Your Support Donate Today!

We Need Your Support Donate Today!

Columbia Neighborhood Watch - is participating in this year's ComoGives Campaign during the month of December. Please help support our All Volunteer, Non-profit organization by donating what you can at <https://comogives.com/product/columbia-neighborhood-watch-2/> (even a \$10 donation helps us continue our mission). THANKS for your support. Please visit our FB Page and our Website for Holiday safety tips.

Our goal this year is \$2000, which is not unrealistic, but we are off to a poor start. We have only 50% of the donors as of this time last year. **If only 6% of our members donated only \$10 each we would reach this goal. In addition, by reaching this goal we would have a good chance of getting an additional \$1000 through a challenge grant from CoMoGives.**

100% of all donations are used for the advancement of Neighborhood Watch in Columbia. We are an all volunteer staff and no one receives any wages for their work. Columbia Neighborhood Watch is a 501c3 nonprofit that is funded solely by donations and grants from the community.

Have a wonderful Holiday and a Safe New Year
